A-V Services Inc. will furnish the client with certificates evidencing this insurance and shall provide renewal certificates of insurance so long as this agreement is valid.

VII. Warranty

1. STANDARD WARRANTY

A-V Services Inc. warrants the AV System furnished to be free from defects or failure in workmanship (i.e., cables, connections, structures) for a period of 365 days from the date of acceptance. Warranty service for such defects will be handled within the SLAs listed in section 1 (Technical Services Hours) from the time of notification by the "Client Name" or their agent. During this period A-V Services Inc. will dispatch a technician to diagnose any technical issues and repair problems. Should the nature of the issue be determined to be an exclusion of the warranty (section 3 below) A-V Services Inc. will come on site for a service call to be billed on an hourly basis with a minimum of 3 hours per call. The hourly rate for a service call will vary by the nature of the issue and may be subject to a trip charge.

2. MANUFACTURES WARRANTY

All outstanding equipment warranties shall be processed according to the manufacturer's Specifications and conditions. Manufacturer's equipment warranties vary in lengths (from 90 Days to one (1) year and up to three (3-5) years). A-V Services Inc. will not charge for all costs involved in uninstalling/reinstalling the equipment for the duration of this contract but should

the system be out of any standard or extended warranty before the expiration of this contact, AV Services Inc. will not be responsible for the cost associated for its repair or replacement.

3. WARRANTY LIMITATIONS AND EXCLUSIONS

This Limited Warranty does not extend to any product that has been damaged due to accident, unauthorized modifications, tampering, abuse, misuse, alterations, unusual physical or electrical stress caused by Client, or to any product that has been serviced by any party other than AV Services Inc. or its authorized agents (including Owner's or its agents) or which has been used in any manner other than from ordinary use in the application for which it was intended.
